EVENT HOTELS & GIOBOTICS: A PARTNERSHIP WITH VISION

Event Hotels has been relying on service and cleaning robotics from Giobotics since 2023. Whether it's house-keeping, food delivery or clearing up – our versatile robots relieve their human colleagues in various areas, ensuring relaxed employees and happy guests.

Numbers that create trust – concepts that inspire

65 smart robots reliably take over repetitive tasks, relieve staff and create a completely new guest experience. The collaboration with Event Hotels impressively demonstrates what is possible with our concepts. Event Hotels has invested € 820,000 in the future and the success speaks for itself: more efficiency, less stress and delighted guests!
